Instructions for Completing the Authorization for Disclosure of Health Information

1. Please carefully read and complete all sections of the Authorization for Disclosure of Health Information.
2. The patient or legally authorized representative must sign and date the form. Generally, only a patient may authorize release of his/her medical information.
 Exceptions to the rule are as follows:
 - a. Authorization of minors – If the patient is a minor (under 18 years of age), the authorization must be signed by a parent or legal guardian.
 - b. Emancipated minors – An emancipated minor is a minor who is or has been married, is or has been pregnant or who is a high school graduate. Emancipated minors can authorize the release of their medical information.
 - c. A minor who has been diagnosed with a venereal disease, a substance use problem or was treated to determine pregnancy may consent to treatment of that disease or condition and may authorize release of any medical information related to that disease or condition.
 - d. Authorization after death – An authorization must be signed by decedent’s estate, or in the absence of an executor, the next of kin responsible for the disposition of the remains can authorize the release of medical information.
 - e. Authorization of the incompetent patient – If the patient is deemed incompetent, then the patient’s legally authorized representative must sign the authorization for release of information.
 - f. Signature of Staff – The staff obtaining signature requirement applies only to the release of behavioral health care information as specifically authorized by the patient. The hospital or records management staff person obtaining this authorization of the patient or legally authorized representative (either in writing as witnessed, or by verbal confirmation of the written form) should sign, print name, date and time the form. A second witness is required to sign if the patient/patient representative consents verbally. Please have the witness sign, print their name and include the date and time.

Penn Medicine reserves the right to request proof of representation.
